IN BOSTON.  
No more the elevator boy  
Disturbs one's equanimity  
By landing at a floor that's not  
In the desired proximity;  
But now a gentle damsel  
With neatness and urbanity  
Inquires what level we would reach  
And elevates humanity.

The Song Recital given by Madam Bailey at the First Presbyterian Church on Tuesday evening was the most artistic entertainment that has been given in Maysville this winter. In a most pleasing manner Madam Bailey announced each number of her program. Beautifully gowned in a soft, white, clinging silk, with a background of lilies and palms, she made a pretty picture as she sang of "The Apple Blossoms," "The Daisy" and "The Dandelion." It is not often the opportunity is offered to hear such a gifted and versatile singer in our city and her welcome is assured for the future. Miss Moore of Hayswood Seminary accompanied Madam Bailey with her usual delicacy and finished execution.

## SENSATIONAL TESTIMONY!

A "Fugitive From Justice" Tells His Story in Howard Trial.

Frank Cecil, who has been a fugitive from justice since his indictment a year or more ago in connection with the Goebel murder, and who recently surrendered, gave sensational testimony in the trial of James Howard yesterday.

Cecil said that Caleb Powers, then Secretary of State, told him that a man had been arranged with to come from the mountains who was to kill Goebel.

If this man failed to arrive, Powers told him, Cecil would be paid \$2,500 if he would fire the shot.

Cecil says he declined. Governor Taylor, he says, called him into his private office and told him the same thing. Taylor said he had saved \$2,500 from his campaign fund and that he would pay the assassin immediately.

For liver troubles and constipation There's nothing better in creation Than Little Early Risers, the famous little pills: They always effect a cure and save doctor bills. Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. J. Jas. Wood & Son.

## THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says— "A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

## How to Ward Off an Attack of Rheumatism.

"For years when springtime came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man. Logan county, W. Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O., Sold by Druggists, 75c. Hall's Family Pills are the best.

THEY are now talking of running Mayor FLEISCHMANN of Cincinnati for Governor of Ohio. The Democrats of that state wouldn't want anything better.—Huntington (W. Va.) Advertiser.

Now, let's all pull off our coats and laff!

At last accounts the Amsterdam strikers were orderly but the Rotterdam strikers were shooting the municipal guards. The Hepsidam fellows are yet to be heard from.

THE Louisville tax rate is now \$2.60 on the \$100, and still the Democratic ring down there isn't satisfied. They want a bond issue of \$3,250,000 for more boodle purposes.

THE Portsmouth Blade a few days ago printed an announcement, "Notice to the Blind." Of course, all the unfortunates saw it and governed themselves accordingly.

THE smoking of cigarettes at West Point has been forbidden. The Reading Railroad has issued an imperative order against it. The B. and O. is expected to do the same. The cigarette must go. Be respectable and smoke a pipe.—Portsmouth Blade.

Certainly; and fill it with assafetida, garlic, guano, or—anything.

WHILE Louisville is paying a tax rate of \$2.60 on the \$100, the good old city of Maysville can issue \$125,000 in sewer and street bonds and get along swimmingly on a tax of \$1.25 on the \$100—just what she's been paying for more than twenty years under the no-sewer and mud-road system. Just think of having decent streets and clean gutters without one cent of additional cost.

THE Bulletin recently referred to the fact—and guess it is a fact—that several of the city officers, among them members of the Board of Education, have not paid their polltax. It is THE LEDGER's "private opinion publicly expressed" that no man should administer on the taxes of others who does not pay his own. This polltax goes directly into the Public School Fund, and it should be the pride of every citizen to contribute even that small amount to aid in the education of his own or his neighbor's children.

It is quite observable that the Democratic Editors of Kentucky are not tearing their hair out by the roots over the scandalous disclosures being made at the Central Insane Asylum at Lakeland. How very different it would be if the poor patients were being so cruelly treated by brutal Republican attendants. Oh, that people would be as honest politically as they are in business affairs!

CAPTAIN CALHOUN of Lexington—Frankfort—Washington is not the only "modest" fee grabber, although he still holds the cup for the biggest lump sum. Five lawyers recently swiped \$115,000 for collecting \$350,000 for HARRY STRATTON at Colorado Springs. Ex-Senator WOLCOTT got the lion's share, \$62,500. Talk about breaking the Bank at Monte Carlo! They ought to turn a few American jackleg lawyers loose on it.

THE Barbers of Ashland have "joined the Union" and publish a price-list of future charges. There are twenty-eight separate rates for manipulating the tonsorial machinery, from a straight shave for 10 cents to dyeing a head of hair for \$2.50. About the only way for a customer to break even will be to compel the barber to read the entire list while he is being skinned. This may prevent him from telling all the latest scandals in the neighborhood or springing the jokes that came out of the Ark.

THE Great American Jury System was grandly illustrated at Frankfort last week in choosing a panel to try JIM HOWARD. The Roundabout tells this seemingly incredible story—

"It was simply amazing to hear the answers made by some of the venire of Jurors summoned to try the Howard case.

"One of them said he had never read anything about it in the papers; had not talked to any one about it; never heard of the case; did not know there was such a case until summoned as a Juror; did not even know that GOEBEL was killed.

"Two of them said they had no conscientious scruples against capital punishment, and yet, if the law and evidence made it their duty to condemn a man to death for murder, they would not agree to such a verdict.

"There were any number of them who had not read anything about the case; had not talked with any one about it; and had neither formed nor expressed an opinion.

"And yet these men all live within twenty-five miles of Frankfort, and there were daily and weekly papers filled with the evidence every day and week.

"O tempora! O mores!"

## Political Pickings

WHICH IS WHICH!

Pittsburgh Chronicle Telegraph.

Some argue that Cleveland is the strongest man in the Democratic party, and some say Bryan is, and in the tug of war of the conflicting views the Democracy is left so weak that the guessing match doesn't seem worth while.

## NO UNCERTAINTY ABOUT IT

## Paine's Celery Compound

The Wondrous Spring System Cleanser and Health Builder Makes Sick People Well.

It is a Heaven-Sent Blessing to Disease-Burdened Men and Women.

There is nothing doubtful or uncertain about the working and effects of Paine's Celery Compound. It stands supreme as a spring system cleanser and health builder. It reaches without loss of precious time the cause of sickness and disease in a way that no other remedy can do. Its first and most important mission is the purification of the life stream, increasing its volume and quality. It then stirs all the organs that work sluggishly. It restores strength, renews vitality, regulates the kidneys, liver and bowels, and makes people well and strong. For these reasons Paine's Celery Compound as a spring medicine stands far above all other prescriptions and remedies that promise so much and accomplish so little. Mrs. R. O. Starkey, Jackson, Mich., says:—

"For many years I suffered more than tongue can tell from eczema and blood troubles. In the spring season my agonies and distresses were increased, and I often wished to die. Boils and pimples added to my sufferings, and for weeks I was not fit to be seen. Doctors afforded me but small relief. I spent scores of dollars for advertised medicines, but got no cure from them. I got hold of one of your books and read about a lady who had been afflicted as I was and cured by Paine's Celery Compound. I procured a bottle of your Compound without delay and began to use it. After I used the third bottle, I experienced a blessed change, the eczema and eruptions were disappearing. So happy was I that I continued with the medicine till my face and body were clear and smooth. I am a new woman in every respect. I am now well and strong, and believe the cure is a permanent one. May heaven bless you in your work of doing good to suffering humanity."

J. Jas. Wood & Son Warrant Every Bottle.

If troubled with rheumatism give Chamberlain's Pain Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price 25 and 50 cents. For sale by J. Jas. Wood & Son, Druggists.

Lawrence Wood, a clerk, turned on the gas in his room in Chicago, and was found dead seated in his chair.

## A CITIZEN DISCUSSES.

A Vital Question Fraught With Interest to Maysville People.

When a citizen right here at home makes a public statement like the following all room for doubt disappears and the most skeptical must be convinced. It's pretty hard for our readers to prove a statement made by a stranger living in some far-away point of the Union. The indorsement of neighbors, friends and citizens is the best of proof; no better evidence can be had.

Mr. P. Gantley, grocer of 314 East Fourth street, says:—

"The prompt and thorough relief from backache given by Doan's Kidney Pills is the strongest indorsement possible. When backache is caused by the lack of proper action of the kidneys the only reason for continuing to suffer is the want of knowledge of Doan's Kidney Pills. I procured them at J. Jas. Wood & Son's Drugstore, West Second and Market streets."

## Important Announcement of the Maysville Gas Company.

Per Thousand  
Under 2,000 cubic feet.....\$1.50  
Over 2,000 cubic feet and under 3,000 cubic feet.....\$1.25  
3,000 cubic feet and any amount over.....\$1.00

At a meeting of the Board of Directors of the Maysville Gas Company March 28th, 1903, it was ordered, that on and after the 1st day of April, 1903, the above sliding scale price of gas for all purposes, fuel and illuminating, should go into effect for payment.

All rates and discounts heretofore made are abolished. It was also ordered that after the 1st of April the old rule of the Company, "Gas will be turned off if account is not paid within five days after presentation," shall be strictly and indiscriminately enforced, regardless of whom it may concern. (This action was taken, not to appear arbitrary, nor with the idea that the accounts of the consumers were not perfectly good any time during the month, or a year later for that matter, but for the good of all concerned and in order that this part of the business of the Company might be taken up at a specified time during the month and disposed of, and further in order that the time and thought of the Company's Agents and employees, now so largely occupied with this work of collecting, might, for the balance of the month, be directed towards giving consumers of gas better attention and more efficient supply and service.)

It was further ordered that, beginning the first of May, and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an Agent of the Company on the first day of the month, or second day if the first comes on Sunday, and that said account shall thereafter be due and payable at the office of the Company on Court street within five days, and if not so paid gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas consumers any of the great variety of Gas Stoves and Ranges shown in the catalogue of the Detroit Stove Works, which price will be equivalent to 50% discount from the list prices in said catalogue. Said stoves will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance: Take a gas range listed in catalogue at \$20; the Gas Company will sell this range to consumer for \$13 cash, or for \$2.50 cash at signing of lease and \$1.25 per month for seventeen months, at the expiration of which time the range is sole property of consumer.

The Company has selected to handle the Detroit Jewel Gas Range on account of its known reputation for durability and economy in its consumption of gas.

The Gas Company will also handle at cost the fixtures and mantels of the Welsbach Company in all of their many attractive varieties. Before closing this announcement the Gas Company wishes to publicly express its appreciation of the eminently fair, just and courteous treatment accorded them by His Honor, the Mayor, and Board of Council, particularly the Chairman and members of the Gas Committee, through whose efforts in behalf of the private consumers the above concessions in the price of gas are now made.

With the assurance to the citizens of Maysville that it will be the earnest effort of the Company and its Agents to give you the very best service at the very least cost, we beg to remain, very respectfully,

## MAYSVILLE GAS COMPANY.

P. S.—On and after the 1st of April the Gas Company will have on exhibition at the plumbing establishment of Mr. Larry Langefeld samples of the Detroit Jewel Gas Ranges, to the inspection of which these interested are cordially invited. You can leave your order for a range with any representative of the Gas Company, Mr. Langefeld or your regular plumber, with either of the latter of whom you will have to make arrangements for connecting and fitting up range for use in case you place your order.

## Wanted to be Heard From!

If there is an invalid woman, suffering from female weakness, prolapsus, or falling of womb, or from leucorrhoea who has used Dr. Pierce's Favorite Prescription without complete success, the undersigned proprietors and makers of that world-famed medicine would like to hear from such person—and it will be to her advantage to write them as they offer, in perfect good faith, a reward of \$500 for any case of the above maladies which they can not cure.

\$3,000 FORFEIT will also be paid if they cannot show the original signature of the individual volunteering the testimonial below, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

WORLD'S DISPENSARY MEDICAL ASSOCIATION, Proprietors, Buffalo, N. Y. A Massachusetts woman, Mrs. Carrie P. Hanford, of No. 69 Hale Street, Beverly, Mass., who is well known socially there, being Treasurer of the Order of the Eastern Star, wrote her experience as follows: "Your Favorite Prescription is, without a doubt, the finest remedy on the market to-day, for female difficulties. I suffered for four years with pains every period, and I dreaded the approach of the time as I knew it meant two or three days' misery. Tried several different widely-advertised remedies, and found that they did me no good whatever. One day a friend called, who had suffered as I was suffering, and who told me that she had been cured through the use of Dr. Pierce's Favorite Prescription, so I purchased a package. I found that the real value of your medicine was greater even than my expectations, and the next month I had hardly any pains. The following month had none at all, and found that my general health was much better and new life and strength had come to me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. The Common Sense Medical Adviser, 1008 large pages in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

### FREE TRIPS TO ST. LOUIS WORLD'S FAIR. ALL EXPENSES OF THE 120 MOST POPULAR SCHOOL TEACHERS IN THE STATE PAID.

School children and teachers generally invited to "T-T-T" determine the most popular in every county. Votes ten cents each, ten cast at one time. All money over and above trip expenses of teachers to go into erection of the Kentucky Building at the Exposition. Every voter thus given the satisfaction of knowing a worthy cause and important object have been aided, at the same time a favorite teacher has received recognition. Contest conducted under auspices of Educational Exhibit Committee of Kentucky Exhibit Association, the organization formed to raise \$100,000 for a Kentucky Building and full display of the State's products and resources at the Fair, the Legislature having failed to make an appropriation. Every educator in the State, whether teacher in public or private schools, or member of faculty of academy, college or university, medical, dental or theological institution, protestant or catholic denominational school, is eligible to election. Members of the Educational Exhibit Committee alone excepted.

Names of all school children voting to be enrolled in the Kentucky Building at the Exposition. Kentucky will have an educational exhibit occupying 2,500 square feet of space in the Palace of Education. The Exposition is to be the greatest international event in the world.

The 120 teachers chosen will be lucky indeed in being tendered this trip to the Fair. Every county elects its own most popular educator. The county outside of Jefferson casting the largest number of votes will be allowed to send two teachers—the most popular and the second most popular.

#### THE VOTES WILL BE TEN CENTS EACH, TEN CONSTITUTING A BALLOT.

At ten cents each every school child in the state will be able to cast at least one vote for his or her favorite teacher. But the voting will not be confined to school children.

**PARENTS OF PUPILS OR ANY OF THEIR FRIENDS MAY VOTE.** The purpose of the Association being to elect the most popular school teacher in each county, as so considered by the public generally, as well as by the school children. Ballots contain ten spaces, so clubs of ten pupils may be arranged and each giving ten cents be credited with his or her vote. If one person desires to cast ten votes, it may be done by writing his or her name on one of the spaces and remitting one dollar. It is not required that the name of the person voting be given at all. All of the spaces for voters' names may be left blank. The Association wants, however, to enroll in the Kentucky Building at St. Louis next year the name of every child who cast one or more votes in the contest. Pupils are asked therefore to sign their names plainly to the ballots.

**ALL EXPENSES OF THE TEACHERS WILL BE PAID BY THE ASSOCIATION.** This will include railroad transportation from Louisville to St. Louis and return, board at one of the best hotels in the city for six days and admission to the exposition grounds for six days.

**THREE PARTIES WILL BE MADE UP FROM THE MOST POPULAR TEACHERS** to make the trip more profitable and more enjoyable. Each of these parties will consist of forty (40) teachers. This would make a total of 120 teachers, but as there are only 119 counties in Kentucky, the Association has decided to allow two teachers from the most popular and the second most popular to go from that county—Jefferson excepted—which casts the greatest number of votes in the contest.

**ALL TEACHERS IN THE STATE STAND ON AN EQUAL FOOTING** in this contest. The teacher with only twenty pupils may receive more votes than the teacher with five or six times as many enrolled in his or her school, because the voting is not confined to children. The public will be an important factor.

Votes may be cast for any person who taught school during 1902 or is teaching now. This gives the teacher of a five months' school, which closed in November or December, the opportunity to be voted for during the vacation period.

**ANY NUMBER OF BALLOTS MAY BE CAST AT ONE TIME.** There is no limit. The more dollars sent in for any one teacher the more votes he or she will be credited with.

**ONE DOLLAR CASTS TEN VOTES; TWO DOLLARS CASTS TWENTY VOTES; THREE DOLLARS CASTS THIRTY VOTES; FOUR DOLLARS CASTS FORTY VOTES; FIVE DOLLARS CASTS FIFTY VOTES; TEN DOLLARS CASTS A HUNDRED VOTES; ONE HUNDRED DOLLARS CASTS ONE THOUSAND VOTES.**

All of the money received in this contest, over and above that used in defraying expenses of the 120 most popular teachers of the State on their trips to the World's Fair, will go for the erection of a Kentucky Building at the exposition; so every voter in this contest may have the additional satisfaction of knowing that he has aided a worthy cause.

**THE STANDING OF THE CONTESTANTS WILL BE PRINTED FREQUENTLY** in each county to show his or her friends how the race is being run. Begin voting now for your favorite school teacher. The voters will be counted under the supervision of the Educational Exhibit Committee of the Association. The personnel of this committee is as follows: Prof. H. G. Brownell, Louisville, Chairman; Prof. H. V. McChesney, Frankfort; Prof. R. P. Halleck, Louisville; Prof. W. H. Bartholomew, Louisville; Prof. P. Paul Anderson, Lexington; Dr. B. B. **REMEMBER EVERY COUNTY ELECTS ITS OWN FAVORITE TEACHER.** Competition between counties only applies to the race for the cash trip, the county outside of Jefferson, casting the largest total number of votes being granted the distinction of sending two teachers. The result will be announced in every paper in the state, and, in addition to this, a congratulatory message will go to the teacher elected in each county. Later the details of the trip will be arranged, each teacher chosen being given the privilege of selecting the month—June, July or August, 1904—in which he or she wants to make the trip.

# CLOTHING TALK!ssss

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
